

Harambee Market Crusade

These Pictures were taken at the recent crusade at Harambee market. These markets are held in small rural towns one day a week. Venders come in with supplies to sell and to purchase local produce to sell in other areas. The people in the surrounding countryside come in and purchase what they will need for the coming week. The town will have many times its normal population that day.

We co-labor with Jesus to bring the Word to the people in a new area. It seems that He touches some residents who hear the Gospel, receive Jesus as their Lord and become disciples. Then He leads us to go and help them get the message out, minister to the people and to teach them the Word. He works with us and confirms His Word.

We have learned that if we set up an amplified sound system and begin to praise and worship the Lord that people will come to see what is going on. We are blessed to have many anointed servants of God come and help us serve the people. Many people in rural villages are excited to have an American come to town. Many of the children have never seen a person of Caucasian descent and will crowd around to see the strange sight. After the crowd has gathered, we begin to share the Good News of Jesus Christ. It is always amazing to see Him pour out His love on people and many are saved, healed and delivered.

We appreciate you, our co-laborers, as you labor with us to fulfill our ministry. We each have been appointed ambassadors with the ministry to reconcile all men to God. (2 Corinthians 5:18-20) We each have a special place in the Body of Christ that is as important as any other part. Your love envelopes us; your prayers empower us and your support sends us.

April Events

Word Camp will be held April 8 – 15. You might call it a revival meeting where many who co-labor with Christ gather for edification, encouragement and equipping. We have seen God move mightily in the past and are praying for Him to have complete control, to set each of us on our perfect course and equip us to fully complete His assignments to us. Please pray for God's perfect will to be done in this meeting.
