

# *NEKESA* - "The Harvester" July, 2007

## **We had our Homecoming July 9 – 14, 2007.**

Homecoming is our annual general meeting. Its purpose is for fellowship, for mutual encouragement, and for a fresh impartation from God for each of us.

While it is focused on the graduates and students of Bungoma Bible School all people are invited to come. The Lord gave each person attending something to share from Him, their life and their ministry to build up, edify and equip others. The meeting also gave all the people an opportunity to network and develop a wider circle of relationships. We were blessed to have 220 people given as ministry gifts attend along with many other people.

We were blessed to have Pastor Alan and Tanya Pugh and their team from Oklahoma City minister. The general theme was to know God and to move to new heights in Him. As Paul wrote in Phillipians 3: 10 "That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death." This is a process we are each in "Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ." (Eph 4:13)

We recognized those God had separated for His work, ordained them and sent them out with our blessing and support. (Right)

God confirmed His Word. He touched many lives while we met. It was a great time of supernatural impartation and equipping.

We thank you for your support in prayers and in every way. Since you are a part of the Body of Christ and of us, we pray that we all move into new heights with God until we individually and corporately attain the full potential God has given us. Oh the glory of God will be manifest! The world will be changed – one soul at a time as we serve Him. We love you. God bless.
