

## Youth Camp 2007 – August 25<sup>th</sup> to September 1<sup>st</sup>

The theme Scripture for Youth Camp was Genesis 26:22, "The Lord has made room for us."

Youth Camp 2007 began on a high note because about one hundred and fifty young believers, many from our sister churches, were with us on the first day. By the time the conference ended we were blessed with over three hundred participants. This year we had visitors from other churches as far away as Kakamega. The first day Steve Kathaka, Peter and Pastor Peterson spoke to us on various issues that affect the youth.

The need to continue in salvation was emphasized. Among the other subjects ministered were building a memorial for God, good success, and the blessing of God. People were ministered to, some were delivered from demonic oppression and several were baptized in the Holy Spirit during the sessions.

They were Pastor Nixon Osumba, Pastor Justus Ochuro, Pastor Elijah Osera and Pastor Susan Oyombe. Youth Camp 2007 was a time of great spiritual uplifting as the youths were encouraged to go on and never give up. All the young people who had dropped out of school were encouraged to go back because it was never too late.

On Saturday, which was the last day, we had a powerful anointing service led by Pastor Elijah and other servants of God. They laid their hands on the youth and commissioned them as the Holy Spirit led them.

We thank the Lord for having enabled us to come this far and for all the blessings that we received this week!
