

## Repentance, Revival and Renewal in Kenya

The annual Word Camp in April was a time of repentance, revival and renewal in the body of Christ in Kenya. The Lord brought over three hundred people in leadership and many other believers to the Word Camp meetings.

The messages all centered on the theme of repentance from division and strife in the body due to placing worldly tribal loyalty over our heavenly loyalty to the Body of Christ, the Church, in which there is only one race – born again believers.

The repentance resulted the people coming into one accord. When they came into one accord, revival broke out. Many people asked for and received a fresh impartation of the Holy Spirit to take them higher with God. The Word was confirmed with many gifts of healing and miracles. The result of all this was that the people went forth with renewed joy, enthusiasm and dedication.

Although it was not an evangelistic crusade, many people were saved, healed and delivered. People are baptized in the local river.

How then shall they call on him in whom they have not believed? And how shall they believe in him whom they have not heard? And how shall they hear without a preacher? And how shall they preach, except they be sent? Even as it is written, how beautiful are the feet of them that bring glad tidings of good things! Romans 10:14-15

We thank God for each of you who are our fellow co-laborers with God. You make it possible for us to sow the Word of God and for God to give the increase. We pray that you each prosper and enjoy good health even as your soul prospers.
